

Caring And Sharing Hope Spring & Fall 2006 a RITA (Research Is The Answer) Walk / Run event

We have created a new 5 K race and 1 Mile Walk event that allows any group, profit or non-profit, to **designate** their sponsorship money to the local non-profit program of their choice. Here is how the program works.

Non Profit Opportunity:

First, you need to decide if your program, research, educational, or client related, could use additional funding. If that answer is "yes", determine a \$ goal, select a team captain, whose responsibility will be to communicate with potential team members. Team members can be friends, family, or employees..... anyone who will sign up on your team. We will provide entry forms, and sponsor sign up sheets. Encourage your team members to seek individual sponsors. A reasonable minimum goal is \$ 100.00 per team member. i.e.: Ten sponsors @ \$ 10.00 each.

ALL SPONSOR DONATIONS obtained by your team members would be designated to your program. This includes any large Corporate contributions. You will receive 100 % of the money that your team raises within 30 days of the event. Please note that the race entry fee is not included, only money raised by team members or designated Corporate contributions.

What if you had 200 on your team and each person raised \$ 100.00. You would receive the \$ 20,000.00 raised by your team within 30 days of the race. In addition, OTHER TEAMS can designate YOUR program to receive their sponsor money. What if two additional corporate teams did the same thing. Your program would receive their \$ 40,000.00 also!

This is the ONLY RACE THAT GUARANTEES you will receive 100 % of the money you raise, provided you qualify by being a 501 (c) (3) non-profit organization. The money comes to you as an unrestricted grant.

Corporate (For – Profit) Opportunity:

Do you have a local charity that you help? How would you like to surprise them with a special gift from your employees ? C.A.S.H. can offer you that opportunity. No Company donation is needed, only employee involvement. Select a captain, who will communicate the program and organize your teams. We will provide entry forms, and sponsor forms. Encourage your team members to seek individual sponsors. Each participant can easily raise \$ 100.00. The captain can select any 501 (c) (3) non-profit cancer program or elect to let The RITA Foundation choose. ALL SPONSOR FUNDS raised by your team will be donated to the designated agency. Please note, the entry fee is not included, only the team sponsor funds raised.

This is the ONLY RACE THAT GUARANTEES that 100 % of the money your company raises will go to the non profit program of YOUR choice.

The RITA Foundation, Inc. was begun in 1997 and has donated \$ 1,500,000.00 to local breast cancer programs. **This represents 100 % of the net proceeds from our special events. No salary or overhead costs are associated with these events.**
