

What is RITA really about?

More than Tennis!

RITA means Research Is The Answer. Our Mission is to raise awareness and money to help in the fight against breast cancer in Jacksonville. The RITA Foundation, Inc. is a 501(c)(3) public, non-profit, all volunteer organization. That means no salaries or overhead. We donate 100% of our eight special event proceeds - and all the money stays in Jacksonville.

HELP MAKE A DIFFERENCE!

Whether you participate in this year's Tournament or not, please consider making a contribution of at least \$20. We could raise an additional \$20,000 if all non participating players did just that!

Contributions should be payable to:
The RITA Foundation, Inc.

and mailed to:

THE BEST BENEFIT OF ALL

Welcome to the 14th year of the RITA Championships!

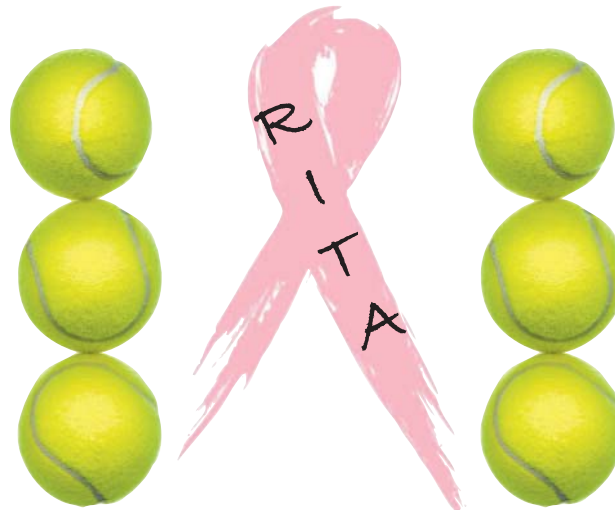

RITA, Research Is The Answer, continues to fund local breast cancer research, education, awareness and patient programs. Special events, like the RITA Championships, generate our revenue. We then donate 100% of those net proceeds to several Jacksonville breast cancer programs. Since our beginning in 1997, over \$2,800,000 has been donated.

RITA is the largest contributor to the Baptist Cancer Institute with over \$750,000 donated.

Proceeds have helped purchase state of the art mammography equipment at Shands Jacksonville. Mayo Clinic has used RITA grants to fund basic cancer research program. Breast cancer survivors have been helped by grants to the Bosom Buddies support Group at the Women's Center of Jacksonville.

The 'Best Benefit of All' is that all of us...you, The RITA Foundation, the local Breast Cancer programs ... are making progress in finding a cure. Thank you for participating and helping RITA help all the women of Jacksonville.
