

CASH

*(Caring and Sharing Hope Race
presented by the RITA Foundation)*

On Saturday November 19, 2005, Metropolitan Park was filled with runners and walkers from a variety of local non-profit organizations.

The Women's Center of Jacksonville was there in force raising money for WCJ. The Counseling Team, the Rape Recovery Team, and the Community Education/ Bosom Buddies team all came out with friends, family, clients, volunteers, and other supporters to participate in this annual event. Our combined efforts raised over \$6,000 to support the many programs and services

of the Women's Center. Thank you to all who supported us by participating and/or making a pledge, and special thanks to Chuck and Nancy Jantz of the RITA Foundation for making this event possible.
